## Letter of Appreciation

Dear Mrs. Żaneta Berus,

Please accept our sincere appreciation for your invaluable support in making the **EU-China (Wuxi) Industrial Innovation & Cooperation Conference 2023** a resounding success.

As the event organizer, the EU Project Innovation Centre (EUPIC) is extremely honored to have had your presence and carefully organized the Polish business delegation to our Conference.

The EU-China (Wuxi) Industrial Innovation & Cooperation Conference 2023 has been welcomed 71 European industrial clusters, science and technology parks, research and development institutions, vocational education institutions and others from 15 European countries, carried out project docking in bio pharmaceutical, new materials, intelligent manufacturing and other fields, and reached 72 cooperation intentions.

We once again extend our heartfelt appreciation to you and your wonderful team. We hope to work with you more closely in the future to make more significant strides in the business cooperation between Poland and China.

Best wishes to you and your family!

Yours sincerely,  
Ms. Segree Dai  
President
