

Mr. Paweł Błachno,
CEO, President of the Board

Cracow, 14 NOV 2023

Testimonial

On behalf of myself and the Jagiellonian Center of Innovation, I recommend Mrs. Żaneta Berus for cooperation.

Mrs. Żaneta was the coordinator of a group of seventeen entrepreneurs invited to the Event: EU-China (Wuxi) Industrial Innovation & Cooperation Conference 2023, organized in China on November 7-9, 2023.

As a representative of the Jagiellonian Center of Innovation, at the Conference I had the opportunity to cooperate with Mrs. Żaneta, who, being responsible for the formal logistics at the organizational level before the trip, was an invaluable help and intermediary between the organizers and the polish group of invited people.

During the stay in China, Mrs. Berus also organized the substantive aspects of our meetings with the Chinese side.

I recommend Mrs. Żaneta as a competent and helpful person.

Yours faithfully,
Paweł Błachno
